President's Letter

Greetings HHS Alumni!

Welcome to the 32nd edition of the Hornell High School Alumni News Journal. As I embark on my second term as President, I do so this year without the presence of Pam LaVerde ('67), my Co-President last term. Her energy and creativeness will be greatly missed going forward; I wish her all the fun and health life has to offer as she steps down from the board. With the exit also of Sally Dagon Head ('77) as Editor-in-Chief of your News Journal, we wholeheartedly welcome the efforts of Pam Markel ('97) who steps in to fill some mighty stylish shoes. It is also with gratitude that I acknowledge the resignation of two long standing and devoted board members--Debbie Fitzpatrick Bossie ('77) and Joann Titus Smith ('55).

Many thanks as well to the HHSAA Board of Directors. We are a board consisting of 24 Hornell High School Alums who work together to keep this organization running smoothly. Please take a moment to flip the page and see the many faces--both old and new--who work together to keep the organization intact. Thank you for the pride you take in the organization and the time you selflessly give.

Hats off to our Alumni, area merchants and benevolent community who together combined forces to award \$132,500 in scholarships to our 2018 graduates. It is a staggering amount for such a small community and makes such a huge impact in the life of our graduates. To keep our legacy alive, please encourage membership to our Association among fellow Alumni.

This year's Alumni Banquet will be held Saturday, June 29 at The Main Place, formerly the Knights of Columbus. Your dinner reservations and your membership renewal form are enclosed. This year, the classes of 2009 (celebrating their 10 year reunion), the class of 1994 (celebrating 25 years) and the class of 1969 (celebrating 50 years) will all be honored.

A special invitation is also extended to those who are Alumni of 70 or more years; you will be the special honorees of the evening. Those special guests, please contact me, Cathy Potter Kimball ('80) or Angela Daniels Markel ('71) through our website, www.hornellalumni.org. Through this website as well, you can make your banquet reservations, pay your dues, make donations, get reunion updated and view past News Journals.

Hope to see you at the reunion, it always proves to be a memorable evening.

Once a Raider, Always a Raider,

Cathy Potter Kimball '80

This year, the wrestling team was very impressive. They placed at every tournament that they entered. The team usually has between 5 to 10 kids. At the end of the season they finished with 14 wrestlers. Of the 14 wrestlers, 6 were rookies and they will be losing two seniors, Dylan Greenthal and Marcus Tingley. The growth that these gentlemen have shown on and off the mats is truly remarkable. In just one year together, they have started to change the landscape of Hornell Wrestling. The team has gotten compliments for their respect competitiveness and sportsmanship. They have all remained academically eligible the whole season.

This year's wrestling team became the new LCAA Division II Champions as they posted a 7-0 record. Hornell has not won this since 2006. They defeated Dansville-Keshequa, Wellsville, Livonia-Wayland Cohocton, Le Roy, Warsaw, Avon-Geneseo, and Bath-Haverling. Overall, the team was 28-7 in dual meets this year.

The future is looking very bright for the team. They will be returning 12 wrestlers and adding more. Key returners next year will also include Breydon Drew (9th), Owen Lautner (11th), Brennan Khork (11th), Andrew Deebs (11th), and Alex Lockwood (11th).

Great job to the Hornell Wrestling team!

Our success depends on you "our alumni". Please feel free to write us at any time with suggestions or questions. Please note: Our Alumni Association memberships run on a FISCAL year, NOT a calendar year. It begins on June 1st and expires on May 31st of the following year. Our goal is to publish a journal you will accept and read. We are indebted to our readers and your response to our News Journal.

HHS Alumni Association Founder Carl Wellington '22

After much research on this topic, the Hornell High School Alumni Association would like to posthumously honor & recognize **Carl L. Wellington '22** as our official founder and creator. He and his voluntary committee who consisted of **Francis M. Cameron, Virginia Leahy, Francis Conz, Kenneth Gray, William G. Hollands Jr., Henry Copeland, Sherman Shults, and Gertrude Case** got the ball rolling back in the mid-1940's, worked effortlessly, got other alumni interested, entertained informal gatherings, planned the first HHSAA meeting on 12-5-45, presented the organizations bylaws, and officially gave birth to our beloved Hornell High School Alumni Association. On behalf of the current HHSAA Board of Directors and its members, we want the families of these nine volunteers & the countless other Hornell High School alumni who were involved in the organization process to know just how grateful, appreciative, and truly thankful we are today. **We will always remain.....HHSAA STRONG.**

These two gentlemen inspired the HHSAA
to produce the Newsletter.

Dear fellow Alumni,

I hope this News Journal finds you well. I wanted to take a moment to introduce myself as the new editor of the HHS Alumni News Journal. Sally Head has given us 15 wonderful years of keeping us up to date on the events happening with our alumni. I know I have some pretty big shoes to fill and I can only hope that I can do the job half as well as she has done. With the help of several of our board members, I am able to share with you the News Journal for this year. A special Thank You to Joey Bassage, Colleen Amidon, John Lewis, Marieka Woolever, Lynda Losecco, Joan McAllister, Jeff Kelleher and Molly Mahoney for their assistance. I hope you enjoy what we have put together. We are always looking for information to share and would love to hear your feedback. Happy reading!

Congratulations, Good Luck, and Best Wishes to the

HHS CLASS OF 2019!

Greetings from Hornell High School!

Dear Hornell High School Alumni,

When President Teddy Roosevelt inaugurated the Grand Canyon National Park in 1908, he declared it to be “the one great sight which every American should see.”

These words echo similarly through the halls of HHS, as they capture what we believe is an irreplaceable educational treasure where each classroom is a laboratory for learning which all students must experience.

What we have done to transform the High School, both physically and culturally is where we explore what being a ‘Raider’ has meant through all of those who have walked these halls and come through previously. There is a historical significance, a ‘one of a kind’ place, where for this graduation (as well as future ones) we have an audacious goal of having former alumni pay it forward by giving the keynote address. It is with great pleasure we announce that Mr. John Lynch will kick-off this great tradition!

Speaking of graduation, Seniors will put a capstone on their final steps at HHS as they walk across stage on June 28. We hope you can join us!

As always, student success is at the forefront. Most recently, we received a bronze medal as a 2018 ‘Best High School’ from US News and World Report. Academically, Twenty-eight (28) members were inducted into the

National Honor Society on Tuesday, March 12. Twenty-two (22) seniors achieved honor graduate status (and this year, the rigor increased), we adopted a new Advanced Placement award for Scholastic Versatility and Dedication which was awarded to fifteen (15) students, Fourteen (14) were inducted into the National Technical Honor Society on March 6, three (3) students represented Hornell at the state DECA tournament March 6-8 earning multiple medals, and we will add another strong class to join our National Business and Marketing honor society this May. Our Academic All-Star team picked up where they left off last year, having another fantastic year and in the finals to win the league championship, and we implemented the first Youth Court in Steuben County, partnering with Judge Coddington, the city and Steuben County Sheriff’s office.

On stage, students performed *Our Town* (directed by Carolyn Valpey) which packed the house. Our choir programs along with instrumental music speak for themselves in regards to how spectacular they are, and stack up with any program in New York State!

Choir traveled to Williamsburg, Virginia showcasing their talent and brought home gold, and our music department hosted area all-state as well as a New York State Music Association Festival. PEP band traveled to St. Bonaventure University to help cheer on

the men’s basketball team and Jack Galatio ‘17 to victory!

Our district needs assessment goal of post-secondary communication brought in numerous career speakers, conducted multiple job shadows, mock interviews, career days...and the list goes on and on. We are extremely fortunate to have partnered with the Career Development Council (CDC) that helps bring real world experiences to our students’ fingertips. Our staff has worked tirelessly on our safe environment work as well as embedding career opportunities into all curriculum.

We will host a tour for the Class of 1969 graduation day, and hope if you’re around the weekend of graduation, you are able to stop in and see your old stomping ground.

Go Raiders!

Superintendent's Letter

Dear Hornell High School Alumni,

The 2018-2019 school year has been a busy one for the Hornell City School District. Last year we embarked on working through a comprehensive needs assessment. From this, we identified key goals within a long range strategic plan that we are now focused on and will guide our work for the years to come.

This year, we saw our first district operated Pre Kindergarten program located in the North Hornell Elementary School. In our pursuit to provide the best education for our students, it became evident that making the changes to this program was necessary to give our youngest of learners the best possible start to their education.. As we progressed through the grades, our K-8 students saw new curriculum in reading and writing; we are now teaching consistent curriculum that is rigorous and aligned from grade level to grade level. We know that a firm foundation in literacy will help all students excel when they reach their high school years and beyond.

Our athletic and fine arts programs continue to excel. Whether it's performing under the lights in our auditoriums or on the athletic fields, our students are representing Hornell with class and distinction!

The District is wrapping up our construction project that has seen an updated swimming pool in the Intermediate School, updated and state of the art classrooms in the High School, and a relocation of the District Office and Business Office to the High School. The Columbian School will serve BOCES and Preschool Programs that now begin with a 3 year olds.

Much is happening in the Hornell City School District with an eye for making our District the premier comprehensive school district in the area! I encourage alumni new and seasoned to visit and check out the great things our students and faculty are doing!

Sincerely,

Jeremy Palotti
Superintendent of Schools

BOCES Principal's Letter

Dear Hornell High School Alumni,

Every year, the Career and Technical Education (CTE) Awards Ceremony provides an opportunity to remind teachers, administrators, parents, students and community members the accomplishments of BOCES students in skill trade jobs. As the senior class receives these honors, the students have gained technical knowledge, wisdom, and project-based learning from their CTE teachers. Students' interests and drives, along with their CTE instructors' directions, provide an education rich environment that has been supported by local school districts and the local community.

Thank you, HHS Alumni, for always supporting these students year-after-year through your generous contributions. On our annual CTE Awards Ceremony

day, it is simply remarkable to see the tremendous support given through scholarships.

Wildwood Education Center looks forward to sharing the graduating class of 2019 with you on June 19th and once again, thank you for your funding and for supporting our CTE programs!

Sincerely,

Sally Deane-Moshier, Principal

*Congratulations to the
Class of 2018
Scholarship Recipients!*

How are Scholarship Recipients Chosen?

The Hornell High School Alumni tradition strives to encourage and support life-styles that have strong work ethics, public service, and academic achievement by rewarding students who exemplify these characteristics with recognition and financial assistance for their education.

A silent committee serves at the pleasure of the President of the Alumni Board. This group is always kept confidential. It may come as a surprise but this is truly a secret committee and never discussed. Board members don't have a clue! A meeting is called by the Superintendent of Schools and the HHSAA President.

The silent committee, school officials, teachers, and guidance counselors meet for the first time. Every senior is offered an opportunity to fill out an application.

The Superintendent provides a detailed resume of all students: class ranking, financial need, student activities, desire for higher education (school choice), cost, student character, personality, and potential leadership.

All selections are final. No records leave the school and resumes of the students are returned and kept confidential.

Hornell High School Alumni Association Endowment Fund

The Hornell High School Alumni Association is a recognized charitable organization under the rules and regulations of the I.R.S. The HHS Alumni Association is a 501 (C) (3) charitable organization so that donations made to it are deductible.

Since approximately 1995, the HHSAA hired Steuben Trust Company to provide investment management services through a Trust Agreement for some of its excess money. The fund has grown in value due to its diversified investments between fixed income and equity investments. Since it has grown in value, it enables the HHS Alumni Association to grant more scholarships.

For people who want to make a deductible contribution to the Endowment Fund, make checks payable to the HHS Alumni Association and mail to:

2018 Year In Review by Mayor John Buckley

2018 has been a busy and eventful year, to say the least. As one can imagine, in the first year of elected office there are many changes to positions and transition to new leadership. I hit the ground running in my first weeks in office making committee assignments, appointing new commissioners to the Board of Public Safety and the Board of Public Works, appointing chairpersons to lead committees, and appointing a new Deputy Mayor. 2018 also saw the creation of a new committee, Policies and Procedures, which was

designed to keep the City in compliance with regulations as well as to update various policies to provide better service to the community and employees.

With the beginning of the year comes the budget review. The Mayor's office works closely with the Chamberlain's office to craft the city budget. The City of Hornell works hard and will continue to work hard with providing optimal services at an affordable cost. I was very proud to see our community remained one of the top 10 most affordable communities in NY. Like most communities, one of the challenges with working with the budget is a lack of increase in state funding, such as AIM funding, and maintaining compliance with the tax cap. I have worked closely with NYCOM, by attending many of their conferences to continue education, build relationships with other municipalities, and continue to advocate to assist us with our challenges. Recognizing the budget's challenges and Chamberlain's valued input on this process, I also worked to propose a change to the City Charter with making the Chamberlain's term a 4-year term, staggered from that of the Mayor to ensure with any transition, there will never be a change in Mayor and Chamberlain at the same time, which I was so pleased to see approved during November's election.

Some of the challenges facing this year's budget are challenges faced most years, but this year saw some new challenges to the budget. We

recognized we were underwater with our garbage costs, and made the tough decision to raise garbage rates, but keep them competitive and below other municipalities in our area. We also took this opportunity to remind City residents of what they can do to help by encouraging recycling. We also had several contracts up for renewal and re-negotiation. I have worked hard to be mindful of costs, services received, and performance, which sometimes comes with tough choices and lots of dialogue. I am hopeful that I have been able to provide a healthy balance in these discussions to do what's best for our community and all involved. I have successfully negotiated a 5-year contract with the DPW and have worked hard at the county level regarding incurred costs for an unfunded state mandated regarding arraignments.

I also worked hard this year on new and continued investments in our infrastructure. Some infrastructure projects are very visible, such as the street paving to Main St, Seneca St and the city owned parking lots. Our office also continues to work on upcoming projects such as next year's projects with bridge repairs to Seneca St and a bridge replacement for Chauncey Run. Other infrastructure investments may not be seen but are vital to our community's maintenance. I have continued work with the lining of our sewage lines with CDBG funds to prevent a future collapse of 100+ year old pipes. The Hornell Water treatment plant continues work on upgrades to the filtration process with the bar screen upgrades as well as the addition of a second multi-million gallon storage tank. I also worked closely with the Village of Canisteo by developing shared services agreement with our Water Pollution Control Plant operator that is mutually beneficial for both communities.

As the year drew to a close, there was a ribbon cutting at the new St James Medical Office building as well as Oak Orchard, bringing 21st medicine to our community. With all of the support in business and growth, there has also been a growth in housing development. The Mayor's office worked with and saw completion of the Residences, a 63-unit apartment development near the airport as well as with Riedman Developers with their 60 units on Fairlawn Avenue. These units

(continued on next page)

MAPLE CITY MILESTONES

bring modern, luxury style dwellings to our community and have indicated success with occupancy at these locations. I have also worked with Park Grove realty to continue their development at the former Marion-Rohr building. The Mayor's office also worked with St James Hospital to provide housing for interning physicians in our community with their occupancy at High St.

Most of the growth, development and opportunities previously listed are things you can see or hear. However, one of the things I've worked very hard on, and am most proud of, is working to improve or change how people feel and creating a positive culture. It is my thought that positivity and negativity are equally contagious. With that in mind, I choose to invest in positivity. I have implemented monthly Employee Spotlights to applaud those employees that go above and beyond in their service to our community. I have also implemented Citizen Recognition to do the same for city residents that make Hornell a home and are positive forces in their neighborhoods by beautifying their property or performing a great service. I have also hold regular, open-door meetings with employees to maintain open communication. I am also proud of the work with the Council, Boards and committees regarding clarification and amending the residency requirement for part-time or seasonal employees or those that are promoted. Seasonal youth employees saw a clearer orientation process and graduated pay increases and new leadership with the Summer Recreation program. I also coordinated the first annual City Picnic for employees and their families enjoyed by all at beautiful Veteran's Park at James Street.

One of the expectations I have of a municipality is its response to the people it serves in its day-to-day operations as well as when receiving the unexpected. During my campaign, I promised I would work closely with the Hornell Police Department to crack down on drugs in our

community. I'm proud of the work of our City Police and their several drug sweeps throughout the year. These sweeps send a clear message to drug dealers: This will not be tolerated in our city. I was excited to attend the swearing in ceremonies of some of our finest young police officers, who have opted to serve our community. Our schools have a new school resource officer to help build relationships with our police dept and a safe environment for our children. We also have had to respond to the unexpected. In early March, our community saw a crippling snowstorm the likes of which our area has not seen in some time. My office worked with the DPW, our police officers, the fire department and power supplier to ensure our residents, particularly those without power, were safe and had ample food and water, and an opportunity to warm up at the warming center.

As you can see, the duties of Mayor are very varied. One minute you may be responding to a natural crisis with the power outage, and the next moment, you might find yourself downtown taking the first shot at Gus Macker (nothing but net, I might add!), performing a wedding, attending the 1st annual Candlelight vigil or, one of my personal favorites, opening Santa's Cottage at Hornell for the Holidays. The job of Mayor is not just a full-time job, but an all the time job. I am so proud of the work accomplished throughout my first year in office and look forward to working with and for our community in the years to come.

John J. Buckley, Mayor
City of Hornell
Class of 1989

Deputy Day was still new to the office, and had completed his field training with the Sheriff's Office the previous week when he took action during an incident that claimed the life of State Trooper Nicholas Clark.

Day has been described as "Not flinching in the face of danger, going above and beyond the call of duty. Sacrificing in service to others are all qualities we demand of someone worthy of being called a Hero."

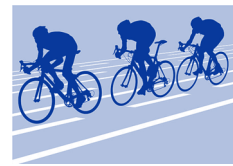

Josh is the second county deputy to be honored by the state association since the award was first presented in 1977.

Medicine of the Highest Order

With the new affiliation with University of Rochester, St. James Mercy Hospital has made some positive changes in 2018. With the help of the new President and CEO we are able to share with you some of the updates from this past year.

Affiliation with UR Medicine

On March 7, 2018; St. James Mercy Hospital officially became an UR Medicine affiliate joining other local hospitals such as Jones Memorial Hospital in Wellsville and Nicholas H. Noyes Memorial Hospital in Dansville. This process started back in 2015 when St. James Mercy Hospital and UR Medicine partnered under an administrative service agreement. Through the agreement, St. James has been able to recruit various new providers to the Hornell area.

New President/CEO and new name/logo change

July 9, 2018 was a day of changes for St. James Mercy Hospital. Bryan O'Donovan, a native of Avon, took over as President and CEO of St. James Mercy Hospital. O'Donovan has worked for UR Medicine in various capacities throughout the years – first as an Administrator of UR Medicine's Heart Failure and Transplant program and more recently as the Director of UR Medicine's Strong West facility in Brockport, NY. Coinciding with the leadership change, it was also announced that St. James Mercy Hospital's name and logo were changing. The facility will now be known as St. James Hospital. St. James became an independent entity in 2015 and now as an affiliate of UR Medicine, the facility is no longer sponsored by the Religious Sisters of Mercy. While the name and logo changes, the mission of St. James to serve all, regardless of ability to pay, will remain intact.

New Medical Office Building

We all may remember this plaza by different names – Big N, original Wegman's or K-Mart; however you remember it by name, it has now transformed into the new UR Medicine St. James Hospital Medical Office Building. On Wednesday, November 29, 2018 there was an official Ribbon Cutting ceremony at the new site, with local and state dignitaries on hand to christen the new facility. The new 50,000 square foot Medical Office Building now houses a wide range of outpatient services such as primary care, urgent care, specialty care, rehabilitation, radiology and laboratory. "The completion of this project marks the first step toward consolidating health care services in Hornell, beginning a new chapter for St. James on our brand new campus," said hospital President and Chief Executive Officer Bryan O'Donovan. Construction of a new St. James Hospital has begun adjacent to the medical office building site and will be completed in early 2020.

The completion of this project marks the first step toward consolidating health care

Changing of the Guards

Former Hornell Fire Chief Dan Smith's last official day on active payroll was Jan. 10, before handing over the reigns to former Captain Frank Brzozowski. Smith spent 36 years with the fire department, 16 as captain, and the last 11.5 as the chief.

Photo courtesy of The Spectator

Dan was a graduate of the HHS class of 1977 and after discharge from the Marine Corp, Smith wanted a job where he could help people. At the age of 23 he got the job of a firefighter. He recalls his early years on the job by noting that The Hornell Fire Department of 1982 wasn't the same as it is now, with a major focus on firefighting as opposed to ambulance service, and a style of mentorship that reflected the times. "In those days we still rode on the back step of the truck". Of course Smith's career was

filled with high and lows, having rough calls balanced out by the many positive outcomes that the department takes great pride in.

Dan has been part of many positive changes over the years in technology and training, to keep up with demands of firefighting and ambulance services. The administrative duties that came with being chief, allowed him to shape the department for future generations of firefighters — a task he took to heart.

The Spectator

During good times and bad, Smith credits his family, wife Sharon and children Ryan, Aryn and Lauryn, for providing the support necessary for such a long and distinguished career. "I could not have done this without them," he said.

***Thank you for your service
and dedication to our
community Dan Smith!***

Changing of the Guards (continued)

Former Captain Frank Brzozowski was an HHS graduate of 1980 but began his life as a firefighter in 1977, volunteering with the South Hornell Fire Company, where he moved up the ranks from member, to assistant chief, then chief. In 1992, Brzozowski became a paid firefighter, joining the Hornell Fire Department. In 2007, he was promoted to the rank of captain. Frank was welcomed as the next fire chief at a swearing in ceremony held at the station in January.

Photo courtesy of The Spectator

During the ceremony, Brzozowski outlined his goals for serving as head of the department, promising to advance the ball in terms of preparedness and training. He stated

“I’ve had some of the greatest expertise coming up through the ranks and bar none, we have a class act here in the Canisteo Valley with some good professional firefighters and career firefighters pushing public safety ahead. It’s just great to be a part of it and to push it farther ahead.” He also cited a personal support system for his success, crediting his wife and daughters for the longevity and success associated with his career.

Good luck to a continued prosperous career Frank!

Marino Raises Money for Cancer Research

A Hornell native, Carl Marino Class of '88, has a new found passion for running in marathons across the country with his wife Ilona. However, his runner's-high serves a generous purpose. His was recently involved in a campaign to raise money for the Multiple Myeloma Research Foundation in connection with his running in the Boston Marathon in April. His fundraising efforts had far surpassed his goal of \$20,000. To help entice people to donate, Marino has auctioned off several props from his hit true crime series "Homicide Hunter: Lt. Joe Kenda". Through his work in television and film, he's gained a large following of fans on social media. "It's a great organization, and everyone has someone in their family that has been touched by cancer. Taking care of that monster should be our number one priority," Marino said. "Not everyone has this kind of platform, but if you have the opportunity to help others, and to try and cure cancer of all things, or help first responders, it's a gratifying thing to do. Everyone can help."

Marino has promoted and raised money in the past for other philanthropic causes. Among those he's fundraised for in the past are Wounded Warriors Project and several charities supporting first responders.

Birds of a Feather Flock Together!

In some rare instances you find people that you work with that make work not only tolerable but enjoyable. So much so that you retire and continue to work with them after retirement. This couldn't be truer for two HHS graduates. Kate Gleason Secondo, Class of '92 and Jamie Harwood, Class of '94 recently retired this past year together after 20 years as officers at the Hornell Police Department. Almost 14 of those years they were partners. They've had the rare privilege to continue their law enforcement careers working into retirement as School Resources Officers for Canisteo-Greenwood School District.

Kate received her Police Officer certification from the Southern Tier Law Enforcement Academy in June of 1996 after attending Alfred State College and Keuka College. She started her employment at the HPD in September of 1998. The kids are the best part."

Hornell native as new director of UR St. James Hospital PT Department

There's a familiar face in the new Physical Therapy Department at UR St. James Hospital. Shawn Valentine, Class of 2004 has returned home to become the hospital's director of Orthopedics and Physical Therapy Services. Shawn received his Bachelor's Degree in Exercise Science from SUNY Brockport in 2008 and his Doctorate of Physical Therapy from Elon University in 2011. Shawn's passion for health, fitness, and athletic performance stems from his own experiences of injury while playing high school sports. "I had a knee injury during basketball season, and it led me to reconstructive ACL surgery with physical therapy that then followed after. So that's where I got my start in the profession," he recalled. "To come back and work with physicians that I grew up going to, and also receiving patients here in the clinic who I've just known throughout my lifetime, to be able to come back to what I've always considered to be home here in Hornell and provide a healthcare service to a community that I grew up in is something that is important to me," Valentine said. Shawn is currently living in Hornell with his girlfriend Felicia and their two dogs. Welcome back Shawn!

MAPLE CITY MILESTONES

50 Years and No Signs of Stopping!

One of our very own HHSAA board members has reached a milestone not accomplished by many. Lou Nasca Class of '56 has recently celebrated 50 years of his personally owned business, House of Mr. Lou, Unisex Beauty Salon. He is 81-years-old, and he swears that he has never worked a day in his life. He's simply been doing what he does best, cutting hair and serving as a sounding board to whoever was sitting in his chair.

Lou Nasca, far right, looks over some old business photos with Hornell Mayor John Buckley, center, and Bill Nasca, Lou's brother.

Lou followed the path of his father, barber Peter Nasca, who owned Nasca's Beauty Salon on Seneca Street for 43 years. But before opening his own business, Lou worked at Foster Wheeler for about five years.

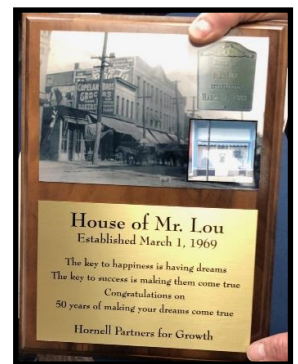

Fifty years to the day of that first haircut, (March 1, 1969) Nasca hosted a celebration at his long-time location on Seneca Street in the City of Hornell. Lou was surrounded by many friends to help enjoy a night in the spotlight and share memories, most of them funny, as he discussed the evolution of hair styles over his many years. He reminisced about his loyal customers, 37 of which have

been with him for 30 years and a handful who have been there over 40 years. "It's been a good life. I don't look at my customers as customers. I look at them as friends. I count on them," said Nasca. Lou looks forward to his "job" everyday, with no mention of retirement.

There were congratulations and a recognition of achievement from Mayor John Buckley, praise and an award plaque from Hornell Partners for Growth, a message from Congressman Rep. Tom Reed, and admiration from big brother Bill Nasca, 87, who called Lou "a man for all seasons." Buckley honored Nasca on behalf of the city and marveled at the longevity of his business. The mayor said. "It's quite the achievement. There are not too many businesses that can say they've been here 50 years."

Nasca said he is counting his good fortune, and he described a profession that has involved much more than cutting hair. He's been a good listener and he's learned some lessons. A big one is to love what you do.

"Life to me is fun. I've had tragedies, but life is fun because I've made it that way."

Hornell Partners for Growth helped Lou Nasca mark the 50th anniversary of his business during a reception of celebration in Hornell.

We need to shed some light on our membership policy.

Our membership dues increased last year (June 1st, 2018) to \$10.00. This is the cost for a single, yearly membership. Not the cost of everyone in a household. We have **NEVER** offered a Lifetime Membership. If you see a website offering this, it is NOT our organization. If you are going to pay your dues/donations online, please refer to the HHSAA website ONLY. www.hornellalumni.org. The cost of paying dues online is \$11.00 to cover fees for online transactions. The \$10.00 cost only covers the cost of printing and mailing the News Journal. Your \$10.00 does not go towards scholarships. Our scholarships are funded by donations.

Our Alumni Association membership runs on a **FISCAL** year, **NOT** a calendar year. It begins on **JUNE 1st** and expires on **MAY 31st** of the following year. The HAA News Journal is mailed every May. If are an active/paid member, you will receive a copy of this publication. However, your membership expires on May 31st and the new fiscal year dues are due on June 1st. The renewal membership form is in the center of the news journal. The HAA highly recommends that you renew your membership right away. Again, by doing so, you will be an active member beginning JUNE 1st and ending the following MAY 31st.

Anyone who **DID NOT** or **FORGOT TO RENEW** their membership will be mailed a reminder notice in January of that fiscal year. If you receive a notice and send us your \$10.00 dues/scholarship donation you will once again be a paid member for the Alumni Association UNTIL the end of that fiscal year (May) and will be guaranteed a News Journal Publication. ALL active memberships, regardless of when you paid your fiscal year dues, expire at the end of May. **Again, our membership runs on a FISCAL year (June 1st-May 31st), NOT a calendar year.**

Also, our computer program does not allow us to post ahead, so please only send us your dues/donations for the current fiscal year. Unfortunately, advanced payments need to be kept track of manually, and most often get lost or overlooked. Please accept our apologies but, if you pay head, your money will need to be refunded to you.

We take pride in being the most active High School Alumni Association in the county, state, and...perhaps even the country!...thanks to the generosity and support of our wonderful members. Hornell High School graduates who receive HAA scholarships are very grateful to all of you. Thank you so very much! You know the old saying, "It's swell in Hornell!"

John Tobin

Tobin Family

John Tobin is being inducted into the HHS Sports Hall of Fame for his many contributions to the Red Raider athletic program. John arrived in Hornell in 1964 after graduating from SUNY Cortland. He was hired by the Hornell school district as a Driver Education Instructor and held that position until 1991 at which time he began teaching Physical Education at HHS. John was loved by his students and in 1978, the Maple Leaf Yearbook was dedicated to him.

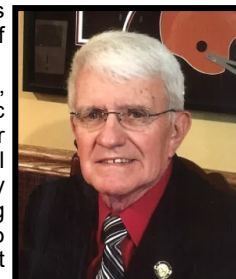

Immediately upon arriving at HHS, John became involved with the athletic program. He coached the Hornell Soccer team from 1964 to 1971. From 1972 until 1998, John held the position of Faculty Manager of Athletics while also continuing to teach. Between the years of 1971 to 1983, there was not an Athletic Director at HHS and John took on all of the responsibilities that were normally reserved for an Athletic Director. These responsibilities included the scheduling of events, distribution of uniforms and equipment, supervision of athletic contests and working with all of the coaching staffs to make sure the programs were running smoothly.

One of John's greatest achievements was helping to make the Hornell Invitational track meet into the area's premier track event. During John's tenure, teams from all over Western New York would travel to Hornell to participate at the Invitational. The Hornell Invitational was first run in 1965 and John was heavily involved in managing it every year until his retirement in 1998. In honor of his contributions as well as those of Lori Castiglione, the invitational became known as the "Castiglione-Tobin Invitational".

When the new athletic complex was built at HHS, Hornell was able to host several large scale events; including the NYS Girls Soccer Tournament (five consecutive years) as well as several Section V Football, Baseball, Softball and other major events. John played an important part in making all of these events into first class operations.

In 1998, John was honored by the SCHSAA with the Presidential Award for his service to Steuben County athletics. He was given a plaque which fittingly stated "A man's worth is measured by the number of friends he has". John has always had many friends and no enemies. He is certainly a great friend of the Hornell High School Athletic program.

John and his wife Rosalie continue to support HHS athletics as they have been able to watch their grandchildren, as members of HHS athletic teams, move from high school and into area colleges. Every year they can be found at HHS sporting events cheering on the Raiders.

Spring 2018

BASEBALL

(NYSPHSAA Scholar Athlete Team)

This year's team could be described in one word: Resilient. This group faced adversity from day 1 and handled it with class and dignity. We finished 9 and 8 with wins over league champion Bath, class C1 semi-finalist Letchworth, C2 Sectional champion Geneseo, and Class D champion Bolivar. They capped off a great year with a come from behind win in the first round of Sectionals vs Dansville, again showing a lot of grit and character. They came from down 7-2 to win it in 8 innings. The seniors did an amazing job in leading and mentoring the younger players on how to play the game hard all the time and how to approach each inning of every game. Their leadership was invaluable to this team.

I again want to thank seniors Spencer Weyand, Luke Smith, Zack Thurston, Andrew Carson and Taylor Stutzman for all you did for me, the team, and the program this season. When it could've gone under you guys kept it afloat.

I also want to thank Jonas Sciotti, Nick Oyer and Griffyn Baker for coming up late in the season and adding some much need depth and allowing us to do more things in practice that really made us a lot better! Congratulations to Luke Smith and Zack Thurston on being selected as LCAA All-Stars.

SOFTBALL

(NYSPHSAA Scholar Athlete Team)

The 2018 season for Hornell Softball proved to be a year of growth. We had a young team who were all dedicated to getting better even when games did not go our way. The girls grew not only in the sport of softball but as athletes in general. Growing pains are not always easy to handle and this group continued to stay positive and work through some tough games and that is something to be proud of. We have 4 seniors that will truly be missed. Rebecca Bacon, Jalyn Krupp,

Emily Kuhn and Ashley Lindeman. Jalyn Krupp and Ashley Lindeman were both chosen as Livingston County 1st team All-Stars as well as selected to play in the exceptional senior game. Many of the girls will be playing this summer in order to continue to grow and develop for next season.

TENNIS

(NYSPHSAA Scholar Athlete Team)

The tennis team's overall record was 5 and 6 on the season. The Red Raider Tennis team persevered through many challenges early on, but we had several key players step up for us. Michael Harrick, Conor Smith and Dominic Coddington played singles while Hope Gaffney and Dylan Greenthal partnered up to play 1st doubles and Lily Gaffney and Malik Arnink played 2nd doubles. We had 2 players, Michael Harrick and Conor Smith, qualify and compete at individual sectionals. For team sectionals, we advanced to the semi-finals falling short against the #1 seed, Livonia. The Red Raiders look forward to bouncing back with a great 2019 campaign!

overall in Division 2, with the second fastest time in school history. Anna also placed 7th in the Federation final. All in all, it was a memorable season. The team loses Anna, Brianna Hanchett, and Rebecca Clifford to graduation, but the future looks bright with the crop of young, talented girls ready to take on next year.

GOLF

(NYSPHSAA Scholar Athlete Team)

The Varsity Golf Team had a 10-4 overall record this year and claimed one of the 8 spots for Class B Section V Team Sectionals. The Raiders took 2nd place overall at Team Sectionals. The team was led by Hunter Babcock (Senior) Tommy Kuhn (Senior), Cameron Sexsmith (Junior), Collin Buisch (Sophomore), Alex Diehl (Freshman) and Christian Babcock (8th Grade). Hunter Babcock, Tommy Kuhn and Alex Diehl all had top ten performances at the LCAA County Tournament to get into Individual Sectionals. Hunter Babcock posted an 83 at Individual Sectionals to claim a spot at the State qualifying Tournament held at Country Club of Rochester. Congratulations to Hunter and his teammates for a great season.

Winter 2019

BOYS BASKETBALL

(NYSPHSAA Scholar Athlete Team)

Record-14-7

Co League Champs for LCAA

Lost in Sectional Semifinals to Newark

The 2018-2019 Hornell boys basketball team was a young team that got better as the year went on. They were led by its two seniors Vinny Liberto and Tommy Pieklo. The year was highlighted with some big wins against Livonia, Avon, Wayland-Cohocton and Greece Olympia. We were lead in scoring by sophomore Jackson White with 14.3 points per game and he was followed by junior Chase Freeland who averaged 9.6 points per game. The team was known for its stingy defense and only gave up 48 points per contest. The team was able to win a share of the league championship in division 1 for the 5th consecutive year. In sectionals the Red Raiders were able to capture a 50-49 win against Greece Olympia, but fell to Newark in the semifinal in OT. The team will bring back nine underclassmen and the Red Raiders are excited about the future.

GIRLS BASKETBALL

(NYSPHSAA Scholar Athlete Team)

The 2018-2019 Girls Varsity Basketball Team had an amazing season finishing at 14-6. This group of girls brought a lot of excitement to the program and the community with their run and gun style of play. Every game the team played they played with heart, passion and incredible toughness for an entire 32 minutes. The girls showed the ability to take risks and think outside of the box and go against the norms of what is considered "traditional" basketball. That alone will help them in their future endeavors as adults.

Along the way they set several team and individual records. Against Corning, they set the team record for most three's in a game with 20! Then later broke their own team record by knocking down 22 three's vs Perry! They set the school record for points per game by averaging 72.65 points! They also set the team record for points in a game (91) and three's made by a team in a season 271!

Individually, Leah Harkenrider set the three pointers made in a season mark by knocking down 86 three's in 20 games! Leah is also the current leader in three pointers in a career with 128 with another season left to play!

Honors: Sr. Gabby Lapierre graduates on a great note by being named a Livingston County D1 All Star and being selected to play in the Greater Rochester Ronald McDonald All Star game! Jaden Sciotti and Leah Harkenrider were named to the Livingston County All-Star team as well!

WRESTLING

(NYSPHSAA Scholar Athlete Team)

The wrestling team placed in the following tournaments:

Hornell State Farm Tournament (4th Place)

LCAA Tournament (2nd Place)

Dual Meets (LCAA CHAMPIONS (7-0))

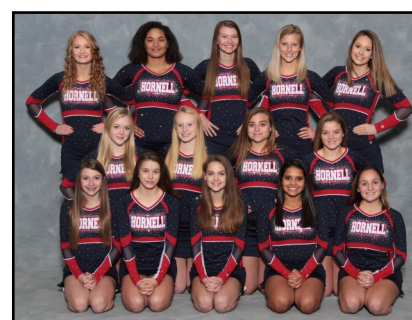

Section V BBB Sectional Tournament (4th Place)

Section V State Qualifier Tournament (22nd Place)

Before the first official match, we went to scrimmage teams at Wellsville where we looked decent, but knew that there was a lot of work to be done. We opened our season in Avoca competing in a Dual meet tournament. The boys posted a 4-1 record and took 1st place, becoming the 2 time Dual Meet Champions. We followed this with a 3rd place finish at Ark-Can Dual Tournament with a 7-2 record and losing to state ranked Rush-Henrietta and Wellsville. The team then took 3rd at the Steve Garland Dual Meet Tournament in Pavillion with a 3-2 record and 3rd at the Bolivar Scuffle with a 6-3 record. The next tournament was our own. State Farm Tournament, where we took 4th and Owen House was a Champion. The LCAA Tournament followed, where the team wrestled to a 2nd place finish and were in 1st place for most of it. Nolan McGregor, a 7th grader, and Mason Drew were Champions. Mason Drew is a 2x LCAA Tournament Champion. The last scheduled tournament was the Section V BBB Sectional Tournament where we had another great showing. We ended up placing 4th and Owen House became a Sectional Champion. We were able to take 13 of our wrestlers and 9 of them placed. These 9 were invited to the Section V State Qualifier Tournament where Mason Drew took 4th and Owen House took 6th after they both made it to the semi-finals and then suffered injuries. Nolan McGregor wrestled hard and was one match away from placing.

The future is looking very bright for our team. We will be returning 12 wrestlers and adding more. The team will look to win the Sectional Championship. Owen House and Brennan Demersman will look to end their high school wrestling career on a high. Owen will be defending a Sectional Championship. Mason Drew will look for his first Sectional Championship and become a 3x LCAA Champion. Nolan McGregor will continue to grow as he looks to become a 2x LCAA Champion as an 8th grader.

WINTER CHEERLEADING

(NYSPHSAA Scholar Athlete Team)

Hornell varsity cheerleaders ended their season with a third place finish at sectionals! We had 2 first place ribbons in Bath and Canaseraga tournaments.

We finished second at Empire cheer at RIT. We also finished second at the Greater Rochester tournament held at the Blue Cross Arena earning us a place in the Highest scores category called Elite Eight out of 90 teams !!! The girls were amazing!!! Our team was lead by 4 captains, Alizea James (sophomore), Julia Ashworth (Senior), Megan White (senior), and Taylor Soles (senior).

This 2019 winter season was fun, challenging, successful, and each team member did their job to make for a winning team. Besides the 3 senior captains, I also have 4 more girls who are graduating seniors: Kayleigh Burritt, Alexia Hooker, Carmen Nasca, Desi McGregor. Thank you all for a great winter season!

BOYS SWIMMING & DIVING

(NYSPHSAA Scholar Athlete Team)

The 2018-19 Boys Swimming & Diving Team has an arithmetic problem...not enough boys to fill all the lanes to score points to win meets. Sometimes we didn't even have a competitor in an event. We were 1-7 for the season, the first boys win in three years. That being said, we just got better! Each boy achieved a personal best in their chosen event. Both divers qualified for sectionals and four of the eight swimmers qualified for sectionals in individual events.

This is still a young team...with no seniors, juniors Matt Oyer and Colin Ponticello once again served as captains. Matt qualified for sectionals in every event in which he competed. He chose the 50 Freestyle and 100 Backstroke to swim in sectionals. Colin is our "distance" guy, swimming the 200 & 500 Freestyle events during most meets and at sectionals. Another junior that improved this season was Breccan Donlon in the 100 Breaststroke. First year junior diver, Justin Briggs and returning junior diver Braeden Caruso also qualified for sectionals. Sophomore Gavin McGowan swam the 100 Breaststroke in sectionals. First year sophomores Max Freas and Matt Sullivan accepted the challenge willingly and improved throughout the season. Freshman Nick Oyer swam the 50 Freestyle and 100 Freestyle in sectionals. 8th grader Dane Thompson is willing to swim in any event I enter him in, but seems to have an affinity for Butterfly.

I look forward to a strong season next year.

On the boys' side, the Raiders finished sixth out of 12 teams. The team was down to two varsity athletes and they prided themselves on the fact that they defeated half of the LCAA Indoor Track league." Junior Liam Hendrickson won both the Triple Jump (40-00.75) and the Long Jump (19-00.50). Those outstanding first place finishes earned Liam the LCAA male Field Event Athlete of the Meet. Senior David Browne placed fourth in the 600M (1:34.91), a personal best and an amazing 10 second drop from the beginning of the season. He also took fourth in the Long Jump (16-11), another personal best.

The Hornell Girls Indoor Track and Field Team finished 4th out of 24 teams at the 2019 Class C Section V Championships. Leading the way for Hornell was Junior standout, Emma Flaitz. Emma finished second in the 300M Dash with a time of 42.63-a new personal best. And in the 600M Run, Emma's time of 1:40.05 sets another school record; she now has run the three fastest times in school history,

Also scoring for the Lady Raiders were: Carter Browne: 2nd in the 3000M (11:46.86) and 6th in the 1500M (5:44.58). McKenzie Hall: 6th in the 1000M (3:24.29) Run and 3rd in the 1500M Run (5:38.72). The 4 x 800M Relay team of McIntosh, Browne, Hall, and Flaitz took 3rd with a time 10:50.91.

For the Boys, David Browne placed 8th in the 500M Run with a personal best of 1:34.86. And Liam Hendrickson set two personal bests with a Triple Jump of 40' 04.50", good for third place, and a leap of 19' 10.50" for a fourth place spot. At the Section V State Qualifier Meet at R.I.T. Emma Flaitz finished third in the 600M Run with a time of 1:40.57. With a third place finish, Emma qualified for the NYSPHAA Indoor Track and Field Championships at Ocean Breeze Athletic Complex on Staten Island. She ran the 600M leg of the Section V Inter-sectional Relay that placed 10th overall in the state.

The Girls 4 x 800M Relay finished 6th and set a new school record in the event with a time of 10:25.74. Breaking the 12 year old record were: Sophomores Netasha McIntosh and Carter Browne and Juniors McKenzie Hall and Emma Flaitz. Breaking the record was a season-long goal.

Also for Hornell, Alyssa Delany finished 14th in the 55M Hurdles (9.38). Modified athletes Brennan Delany and Alaina Flaitz were two of the league's top performers all season long. Brennan was the top Triple Jumper with a leap of 33-08.75 and finished second in the 55M Hurdles in 9.35 (both personal bests) at the JV/Modified Championship.

With the majority of the team returning next year, the 2019-2020 campaign should be a strong one.

1949 Dedication

Mr. Kenneth Blakeslee

In dedicating this book to Mr. Harrington, we attempt to thank him for his solid and unwavering support of our class and of the school. Under his direction the music department has risen to new heights and the band is recognized as one of the best in the country.

With deep appreciation of his efforts, we express our wish that he will continue his good work and have a long and joyful career at Hornell High School.

It is with the most sincere appreciation of all that he has done for us that we, the Senior class of Hornell High School, proudly dedicate the 1949 MAPLE LEAF to one whom we esteem both as a teacher and a friend. In our estimation, he is one grand person.

Even when we were freshmen and sophomores, we admired his enthusiasm and his pleasing personality. A friendly "Hi" from him meant much to us during our first years in high school. As juniors, we found in him and adviser whose guidance we valued highly. At that time, his interests in us supplied the encouragement we needed. Now that we are seniors, we value even more highly his friendship.

It is because he has made us realize that "we are here not to get all we can out of life for ourselves, but to try to make the lives of others happier" that we dedicate our yearbook to Mr. Kenneth Blakeslee.

Mr. Charles M. Eddy

In every school there are those who exemplify its character, add to its lustre, and work hard without due recognition. In Hornell High School, we have such a man in our teacher and yearbook advisor, Mr. Charles M. Eddy

Few students enjoy the privilege of knowing Mr. Eddy really well. As members of the yearbook staff, we have had the opportunity to work with Mr. Eddy in a close relationship, to receive his help and guidance, and to enjoy his friendship. It is for this reason that the 1959 Maple Leaf is dedicated to Mr. Charles Eddy

Mr. Leslie Gray –
We meet a man, a friend, a teacher

We come into a world filled with contradiction.
Rebellion, conformity
Ugliness, beauty
Wealth, poverty
Hatred, love
We are bewildered by the complexity of our age.

We meet a man, a friend, a teacher
Who knows the beauty of the world
In his unique style, he brings to life
The fictional characters in books
And relates this knowledge to question of the present
We listen, but never fully understand, for there are some answers
That we alone can find.

In appreciation of the invaluable experiences gained by his many students, we the editors of the 1969 Maple Leaf would like to dedicate this yearbook to Mr. Leslie Gray. A former principal of the Junior High School. Mr. Gray returned to his first love, classroom teaching in 1964. He has taught eleventh and twelfth grade English for the past three years, sharing his enthusiasm for learning with his students.

Mr. Damian DeMarco

This year, the staff of the 1989 Yearbook is honored to dedicate our book "We've Left Our Mark" to a teacher who's always willing to help others, either in the classroom or on the field. A person who teachers on our level and makes us want to learn. He's very fair, easy going, and always has a smile for whoever he sees. We have chosen a guy we like to call "Bubba" because we feel he is part of our Rebellion! He relates to everything in our class, and has helped us leave Our Mark. We love you Mr. Donald Campese!

THE 1989 MAPLE LEAF YEARBOOK STAFF

Great teachers are usually a little crazy. — Andy Rooney

Each year, the members of the graduating class select one individual who, above all others, has had the "most significant impact" on their lives. Once again, this year's recipient is truly deserving. In his time at H.H.S., Damian DeMarco has been a "dedicated teacher, a devoted husband and father, wonderful coach, and friend to everybody." Mr. DeMarco is very involved in the lives of many students at H.H.S. They feel his presence every day while listening to announcements that are produced by his T.V. Media and Broadcasting class. Thanks to him, students are also about to view the "Inside the Rotunda" show on Friday afternoons. His fine coaching abilities helped lead the boy's cross country team to the top of their league. His devotion to the track team is clearly evident every year. A dedicated runner himself, he inspires those whom he coaches to believe they can be the very best.

The class of 1999 proudly dedicates the 1999 Maple Leaf yearbook to Mr. Damian DeMarco, a true inspiration to the students whose lives he touches.

We will carry your memory all throughout the next stages of our lives because of the boundless influence you have had on all of us. The class of 2009 would like to dedicate volume 75 of the Maple Leaf Yearbook, "The Long and Winding Road", to Mrs. Nasca, for everything you have done. Hatter Awarded the Purple Heart

Forty-seven years after his death at the age of 21, Vietnam vet and local hero Cpl. Larry R Hatter was awarded one of the military's highest esteemed honors, The Purple Heart.

Larry Richard Hatter was born February 3, 1950 and graduated from Hornell High School in 1968. After graduation he enlisted in the Marine Corp and served with honor until his death on February 18, 1971.

Larry was killed in action when the helicopter he was serving on was damaged by enemy fire while in a mission in Laos and crashed en route back to South Vietnam.

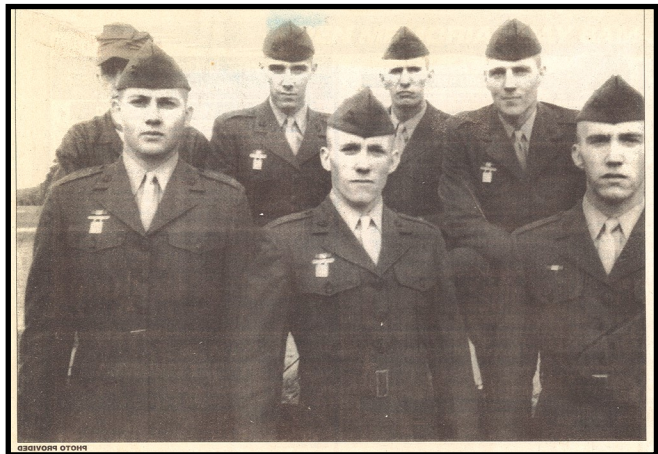

The Purple Heart project was started by a group of his fellow Marines who served with him after learning that Larry and 8 other marines who died along side of him had never received the Purple Heart. After 18 years of hard work, on June 17, 2018 Cpl. Hatter's mother accepted the Purple Heart on his behalf.

Thank you Cpl. Larry R Hatter for your service and ultimate sacrifice.

Shop with a Cop

A special partnership took place on Dec 8th 2018 at the Hornell Wal-Mart between Hornell Police officers and Wal-Mart crewmembers who teamed up for the annual "Shop with a Cop" event. Police officers escorted children in need on a shopping spree through the store. This year 29 children were selected. Santa and a team of Wal-Mart employees acting as professional gift wrappers assisted in the event. The event is financially backed by the Wal-Mart Foundation, who granted the Police Department \$3,000.00 and received high praise from the officers involved.

Hornell Partners for Growth

It is the mission of the Hornell Partners for Growth to support, cause and promote growth of the Business Improvement District. To help create a sense of community among businesses and residents. To create an environment that is appealing to shoppers, clientele, residents, visitors and businesses. To provide for the needs of the different types of businesses by holding events, workshops, seminars, and using planning committees to run the HPG in an efficient manner.

The primary goal of HPG was beautification such as Christmas Lights and Flower boxes. It has transformed over the years to include events that bring people to the Hornell City. We are working to provide support, marketing, placemaking that help in the development and prosperity of our BID businesses.

This past year HPG was able to create Santa's Cottage that was located near the Christmas Tree. Santa's Cottage with Reindeer, the horse drawn carriage rides, and the entertainment added to the parade. Santa saw almost 500 children during the month of December. We are looking to make that event larger this year.

Santa joins Mayor John Buckley with the annual lighting of the Christmas tree in the Maple City.

Recently a Hornell High School graduate, Valorie Whitehill (Class of 1993) has taken on a leadership role as the new Hornell Partners for Growth Manager. As of January 2019, Whitehill was chosen to head up the organization after former executive director, Justin Recktenwald resigned his position. Whitehill served 24 years in the United States Air Force.

HPG officials, city employees, Wildwood BOCES builders and volunteers helped the mayor with Santa's new location for the annual holiday celebrations.

Happy 2019!

Hornell History Set in Stone

Judge George Hornell Jr was born in 1768 in York, PA and emigrated to the Hornell area to become one of the area's most prominent early residents. He ran a gristmill and an inn and was the first postmaster for the village. In 1796 he was made an associate judge for the court of common pleas for Steuben county. Seven years after his death the village was named for him.

When he died in 1813 a monument was erected for him in Rural Cemetery. Now 200 years later that monument is nearly illegible.

A campaign to raise 9000 dollars to replace his monument has been spearheaded by Pete Brundu and the Hornell AMVETS post 245. The new stone will sit in front of the original to Honor Judge Hornell.

Stuart McHenry class of 2008 was recently honored with the Employee spotlight Award by the Hornell Police Department.

Stuart joined the force in 2014 after serving in the United States Marine Corp. Stuart has taken on additional responsibilities in addition to his role as police officer including leading firearms training and planning for criminal apprehension situations.

Police Chief Ted Murray describes him as "an up and coming member of our department. His leadership ability is unapproachable."

The DeGaetano's of the former DeGaetano Family Shoe Store & Repair, lived on State Street in Hornell, and their home was a standout due to being located between Hornell High and The Scoop. The residence raised in October. Remembered by many, as it lined the entryway to HHS and the front door, home saw plenty of student and community foot traffic throughout the years from walkers to students riding their bicycles to school. The corner would often seem surrounded by teenagers both before and after school with students enjoying conversations with each other waiting for the bell to ring.

Betty Hess Receives Jefferson Award

Long time Hornell resident Betty Hess passed away in September leaving behind a long history of community service. Hess had recently been the recipient of a Jefferson Award for Public Service. For years, Hess worked with the Boy Scouts, Catholic Charities of Steuben County, the City of Hornell Youth Recreation program, the Hornell YMCA, Salvation Army, United Way, and the Hornell United Methodist Church. Even into her 90's and homebound, Hess worked to help organize, encourage participation and attendance and generate donations and awareness of community services, programs and causes. With her Jefferson Award, Hess was quoted by the Evening Tribune as noting "I don't like the recognition part, I'd rather be doing." May her spirit of "doing" continue in all of us.

Hornell Children's Home

The Children's Home was a Hornell "institution" for 100+ years founded by Miss Theo Hall in 1917. She was a traveling nurse who saw the need for a home for children. They recently moved to a new, spacious and totally renovated location in Hornell. The Children's Home was founded previously at the old City Hall and quickly outgrew the space, relocated to Elm Street then 223 Main Street and in the fall of 2018 to its new home on Monroe Avenue in the former DeSales Hall. At one time it was a full-scale orphanage, looking after wards of the state. They housed children whose parents were unable to take care of them all the way up until 1967. In 1967 it became a day care center and eventually in keeping with the times started offering both pre-school and child care services. While child care has changed over the years, the Children's Home's priorities have not. They provide healthy meals, a safe friendly environment along with fun filled educational activities. Congratulations on 100+ years of happy and healthy care for the children of our community.

New Location, fall 2018

Hornell says Good-Bye to a Hometown Favorite!

The Sunset Inn is the home to many fond memories for Hornellians for 50 plus years. The Hornell icon closed its doors when owners Tom and Marsha Davis retired in December 2016, but stood empty with potential. That potential came to a crashing end on July 19, 2018 when the structure was demolished. Since the closure, the vacant building was used as a training facility by the Hornell Fire Department. The City of Hornell Industrial Development Agency purchased the property in June 2017 for \$160,000 and this sale would aid in the development of a high-speed rail test track for Alstom. This test track is currently under construction and is expected to be completed in early 2019. While the Sunset Inn is gone, the memories created in the Sunset will remain in the hearts of many Hornellians forever.

Authoring of the Maple City

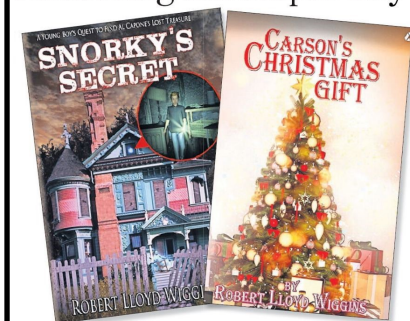

A former Hornell resident Robert Wiggins is the author of 12 books, some are fact based others are fiction. His works are self-published through Amazon. In his previous career he was a clinical pharmacist at an area hospital and the Bath VA prior to his retirement in 2012 and his subsequent move to Tennessee.

Wiggins often uses references to Hornell, or characters inspired by people from the Maple City. In 2016 he authored *Big Red, Our Time* chronicling the historic building of a state championship football program. Wiggins was a major fan, attending every game in a 10 year span. The book includes perspectives from players, coaches and parents. It debuted with a signing event held at The Main Place in Hornell. With 12 books to his name,

Wiggins shows no signs of slowing down, offering the following anecdote. "I have been blessed to have discovered such a rewarding and challenging "second chance" in my retirement years." Wiggins especially thanked Hornellian Laura Picco, who edits many of his books, and is also a featured character along with members of her family from time-to-time. Many of Wiggins' books are available on Amazon as paperbacks and Kindle e-Books. Wiggins is currently living back in Hornell with his wife Coleen.

Axis Power Reunion

Members of the Axis Power band met in July for a mini reunion on Loon Lake at the lake house of Mike and Judy Kays. Longtime childhood friends Mike, Mick, Tim and Bill met for a summer weekend to catch up on family events and reminisce about the days when they performed together in the 60's as Axis

Power. They played for dances around the Hornell area and on weekends at the YMCA. Axis Power has returned to Hornell three times since their graduation in 1970. In 2002 they returned for their 50th birthdays and in 2005 and 2010 for their 35th and 40th class reunions. Who knew that when these four started their band over five decades ago that they would remain lifetime friends.

Zachary D. Smith Memorial Scholarship

The 9th Annual Zachary D. Smith Golf Tournament was held on June 16, 2018. This day we spend time reminiscing about Zach and all that he stood for. He loved the game of golf and this is a perfect way to pay tribute to such an amazing hero. Zach always made moments very special, and cared deeply about people and chose to live a life of a very giving person. He joined the Marine Corps. in 2008 and lived the Marine Corps. Motto, which stands for Honor, Courage and Commitment – that defines Zach to a tee. Zach was deployed in December 2009, and on January 24, 2010 he stepped on an IED (improvised explosive device) that took his life. His older brother Nate (Class of 2005) set up a scholarship fund and the golf tournament the day after Zach was killed to make sure that Zach's name still lives on. His younger sister, Grace (Class of 2017) helps with the tournament as well. It is important to our family to keep Zach "alive". These types of events bring family and friends together to celebrate a lovely person that we all miss so much. So many of our family and friends volunteer their time, a big thank you to all who help make these tournaments such a success! The winners of the tournament in 2018 were Michael Bradley, Brad Giglio, Jimmy Giglio and J.R. Emo.

The proceeds from the golf tournament go to the Zachary D. Smith Memorial Scholarship fund. Every year, a Hornell High School senior is chosen from the essays that are written and turned into the guidance office. This scholarship is valued at \$4,000 payable annually while the recipient is enrolled in college or the military. This year the award was given by the family, to Spencer Weyand, he is attending St. John Fisher College with a major in Biology/Pre-Chiropractic. The family, along with the help of the Athletic Director chose Emily Kuhn for the scholarship for an Athletic Award that is presented in Zach's name, the value of this award was \$500. We wish them the best of luck in their futures. Claire Weyand was the recipient of a \$500 award from the donations that were sent to the Alumni Association in memory of Zach.

We are looking forward to the upcoming years as we celebrate a great life that was cut too short.

HHS takes sect. swim 2nd

GENESE—Hornell High School's swimming team came off a 17-1 season to take second in the Section Five Class B championships yesterday at Genese State College.

It was the best finish for Hornell since the team placed first in the sectionals back in the 1920's, in a day when going to the swimming tournament meant getting a few students together for several practices at the "Y" and then taking the bus to the meet.

Last year Hornell placed third in the meet to cap off a perfect 18-0 season. Spencerport won the sectional Class B title, with 227 points, followed by Hornell with 165. Bath with 144, Canandaigua, 142, Newark 104, Danville, 79; East Rochester 56.

Tim Tripp held a sectional record in the individual medley for three hours, the Hornell swimmer won with a record time of 2:16.5 in the preliminaries, but came in second behind Jay Roberts' 2:14.2 for Spencerport in the finals.

Tripp's time was good enough for a school record, however, and he also set a school mark of 52.5 in the 100 for second in the finals. He was part of the Hornell medley relay team with Andy Trax, Dave Simms and Stan Hooker that won the sectional championships with a time of 1:31.1.

Jerry Flantz of Hornell and Bud Riffkin of Bath tied in the butterfly, but Flantz was given the judge's decision for the win.

Bath's Gary Wheeler, Tom Simms, Rick Stackpole and Jim Brown combined for a sectional record 3:28.1 in the freestyle relay.

The meet will be televised today on Hornell cable TV at 7:30 p.m.

200 Med. Rel. Hornell: Andy Trax, Dave Simms, Stan Hooker, Tim Tripp; 1:51.1; Spencerport, Haworth, Danville, Attica, Newark.

The Five Cleveland brothers of Crosby Street are all alive and healthy due to the waters of Crosby Creek. They are all active in the communities where they live. Three still live in Hornell. Because of the very good education, values received, plus the sportsmanship and teamwork they received at HHS, they all have been successful. They all played on various athletic teams at HHS. Four of them went onto college to enhance their careers and received better jobs. Two of them, Jan and Kelly Jerome served our country in the military. The reason why Kelly Jerome's first name did not begin with the letter "J" is because he was born on his maternal grandfather's birthday and her maiden name was Kelly.

Although not quite as old as a tradition of the American Indian, Boy Scouting is an American tradition which will live in the hearts of boy, and boys who have become men.

Our way of life is different, yet our Scouting program is "Indian fashioned." Our troop is what you might call a "tribe", our Scoutmaster a "chief", and our campfire, a "pow pow"

Troop 67 Indians were formed when Scoutmaster Robert E. Ingalls was confronted with choosing a theme for his troop in a "Scout Circus". Mr. Ingalls drew from a hat containing other subjects, Indian lore as his theme for the show. The Wiyaka Dancers, as they were called, attributed their Indian "know how" to their leader, Scoutmaster Ingalls.

Members of the Class of 1953 celebrated their 65th reunion on July 14, 2018 with a social hour followed by a catered dinner at J.C.'s Café. Although a few people were caught in a heavy thunderstorm, it did not deter the great time had by all. Classmates enjoyed catching up with each other. Everyone looked so stunning and sharp after all these years! Those in attendance traveled from Ohio and several New York towns. The raffle for the event was won by Rose Marie Dinardo McLaughlin and Robert Headley. We ended the weekend with a brunch on Sunday morning at J.C.'s Café. There were 16 people in attendance and we so enjoyed our time together. Plans for next year's reunion were discussed and we said our goodbyes until next year. We are pleased to announce that our class proudly gave \$1,000 in scholarship money with \$500 being given to the HHS Alumni Association and \$500 being given to Mackenzie Congdon, granddaughter of Jacquelyn (Alderman) Congdon. The HHS Classes of 1956 and 1957 shared a combined celebration on August 11, 2018 at the Arkport Village Park Pavilion. JC's Café, owned and operated by Andy Carbone, catered a delicious buffet luncheon. The two reunion committees provided desserts.

The 1956 reunion committee welcomed thirty-four classmates and guests. Some of the attendees came from Texas, Florida, Pennsylvania, and Ohio as well as Rochester, Buffalo, Canandaigua, Dundee, Holley, Bath, Avoca, and Fairport. Mary Jo Colamarino Jacobs of Henrietta, New York was the winner of the 50/50 raffle. She graciously donated most of her share back to the scholarship fund. Thank you, Mary Jo, for your generous gesture. The class gifted \$2,000 to the HHS Alumni Association Scholarship Fund in memory of our eighty deceased classmates. The HHSAA selection committee chose two recipients this year. Gregory Lorrow received a \$1,000 grant, and is currently attending Alfred State College. He is enrolled in the Electrical Engineering Curriculum. Nolan Rosell received a \$1,000 grant, and is enrolled in the Cyber Security Program at Alfred State College. Congratulations to Gregory and Nolan. They will receive their grants over a two year period.

Since our 50th reunion in 2006, the Class of 1956 has gifted \$44,000 to twenty-five deserving seniors entering a college or university. A special 'THANK YOU' to everyone who contributed to our class scholarship fund. This is a solid and worthy investment in supporting our younger generation that will become our future leaders.

The 1957 reunion committee welcomed eleven classmates and guests to their fifth consecutive joint reunion. Members came from Michigan, Canandaigua, Loon Lake, and the surrounding area.

We are looking forward to another informal reunion scheduled for Saturday, August 10, 2019. Please pass the word along to all of your classmates, and make plans to join us.

The HHS Class of 1958 had a casual get together organized by Fred Wessels, Class of 1958 and Linda Burse McHale Class of 1959 on Friday night, June 29, 2018 at the Hornell American Legion. This get together was attended by approximately thirty classmates and well-wishers that stopped by. It was nice to see that people of our age could stay awake that long! On Saturday June 30, 2018, fourteen classmates were in attendance at the annual Alumni Banquet for the dinner and six or eight classmates came later in the evening. A good time was had by all and we thank the committee for all of their hard work!

Class of 1968— 50th Reunion

Our 50th reunion got off to a great start when some of us took a tour of our High School. So many changes have been made it was hard to remember the "old halls" until we got to the rotunda and the math rooms, our echo was felt there! While we were roaming the halls, others were golfing the afternoon away at the Hornell Golf Club. We all got together in the evening at the Hornell Golf Club for an informal evening of cocktails, chat, food and lots of laughter and remembrances. Classmates came from all over the country and it was a wonderful time! On Saturday evening our class was honored at the Alumni Banquet by the HHS Alumni Association. Kathy Clark Panter gave the invocation and Penny Robinson Weston represented the class as our speaker for the evening. A big thank you to our Scholarship Contributors!! We were able to give Alyssa Pauzuolis and Jared Kiffer each a \$2000 scholarship. In addition to the scholarships we presented a \$100 stipend to eleven graduating students who are entering the service after graduation. A memorial tree was planted by the city at Veterans Memorial Park near the entrance to the parking lot by the pool. The plaque reads "In Loving Memory of HHS Class of 1968". Memorial boards with pictures of deceased classmates were displayed on easels. We also gave glass ornaments with "The Empty Chair" poem. Wine glasses were given out with the following engraved in blue on each glass: Born in 1950 ~ 68 years old Graduated 1968 ~ 50th.

Thank you to our committee members and friends who helped make this weekend a success. The weekend went by too quickly! We always have a good time when we are together and it doesn't seem as if all of those years have gone by. Looking forward to our "70th Birthday Party" in 2020!

On June 29, 2018, the Class of 1973 held their 45th reunion at the Hornell AmVets Post (where the old Steuben Theater use to be). We had an amazing turn out, with over 80 classmates attending. Classmates greeted each other and reminisced about those good old days. Walking into the AmVet Post brought back memories of going to the Steuben Theater. Everyone had a wonderful time. Gary Packer played music from 1973 & we had a wonderful buffet catered by John Carbone. We were able to give away 3 scholarships this year. The next night, we had 3 tables of classmates at the HHS alumni banquet. Everyone had a great time at the banquet as well. We cannot wait for our 50th reunion in five years!

Class of 1978—40th

The weekend of July 14th 2018 brought the H.H.S. Class of 1978 together for its 40th reunion. Over 100 attendees were on hand to catch up (in some cases) on the four decades that have flown by since graduation night. A lot of friendships were rekindled as the group enjoyed a cocktail hour which was immediately followed by a buffet style dinner at the Hornell Golf Club which was adorned with "period" posters of popular films, over-sized pages from the Hornell Evening Tribune (from the day of graduation), and last but certainly not least, an homage to our "Brothers and Sisters" that have left us too soon. Background music from "back in the day" was a re-creation of Casey Kasems American Top 40.

Several fundraisers were held throughout the preceding eight months to raise resources to provide the class of 2018' with two \$600 scholarships which were presented to the Alumni Association.

On the night before the banquet, many attendees met informally at Milliners Southern Smoke on River Street in Hornell for cocktails and mingling. Watching the faces of our fellow classmates light up as people arrived captured the moment perfectly. **Initial plans for a 2019 get-together are in the works, Class of 1978, please watch the Facebook page for details as they become available.**

Class of 2008—10th

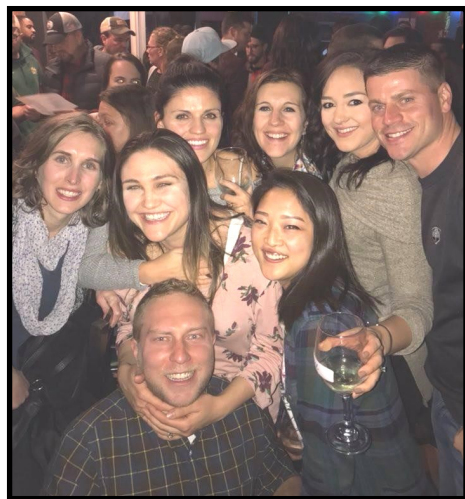

The class of 2008 celebrated their 10th reunion at The Brute (owned by Justin Recktenwald) on 11/23/18. Planning was done by Michelle Kubiak, Ryan Terry, Justin Recktenwald and Maureen McAnany. They had a great turn-out of about 50 attendees. Justin was an amazing host and gave a spread of delicious food including flatbread pizzas, dips, fruit/meat/cheese board and pulled pork sandwiches. They also took a portion of the ticket money and donated around \$300 dollars to the Zach Smith scholarship from the class of 2008. Zach's mom briefly attended to celebrate with the class. She gave Memorial bracelets and stickers. Seth Snowden put together a video in memory of Zach, which had everyone in tears. Jason McCool, aka DJ McCool, put together a great music selection featuring songs from their high school years. The reunion was scheduled from 5-8pm but the majority of classmates continued to mingle and catch up at the Brute well beyond that time. It was a fun event and everyone enjoyed seeing their classmates! Justin was an amazing host and helped to throw a successful 10 year reunion.

Class of 1969 ~ 50th Reunion

HHS Class of 1969 Celebrates 50 Years!!

Fifty years ago on June 22, 1969, 260 fresh young minds stood on a stage in a small town, and said goodbye to High School. Some were ecstatic and anxious to embrace the next chapter of their book of life...while others cried, fearing that life would never be as happy, as safe as it had been for the last 18 years. Whether we laughed or we cried...we were moving on. And, move on we did...into the turbulence of the 70s where we were challenged like we had never been challenged before and where we ultimately moved ahead and forged our own paths. Little did we know then that life would never be quite as simple as it had been when we were together in the halls of Hornell High.

And...here we are... fifty years later. Perhaps we are a little grayer, a little less flexible, a little more seasoned and a whole lot wiser. We’ve celebrated new jobs, promotions, new homes, weddings, children and grandchildren. We’ve branched out, taken risks, seen beyond our little town. We’ve made new friends, and we’ve lost many of those near and dear to our hearts. But...one thing we all have in common...our roots are here in Hornell.

The Class of ’69 will celebrate their 50th on the weekend of June 28th. On Friday afternoon at 4:30, we have scheduled a tour of our Alma Mater for those who would enjoy seeing it again. Following the tour, join us as we get re-acquainted at the Main Place (formerly the Knights of Columbus) on Main Street. You should have received

information on this party in the mail, and should make your reservation by May 31. (If you didn’t receive the mailing we sent, please contact one of your committee members or let us know through our Facebook group...Hornell High School Class of 69.) We’ll gather at 6 pm...spend time reminiscing...listening to music...and just enjoying the memories. (60s attire is optional!!)

On Saturday, we will be one of the classes honored at the Alumni Banquet (again at the Main Place). We are hoping to have a HUGE turnout...so please send in your reservation using the yellow card in the middle of this news journal! Great food, entertainment and more time together...also, one of our own, Mark Landman, will be a featured speaker.

We encourage you to join our Facebook group for further updates as we approach the weekend. We are excited and can’t wait to celebrate with you all!

Dear Alumni Assoc.,

The news journal is very impressive and I think the colored photos add a bit of sparkle as you read along. Kay Holden's North Hornell school picture shows Jackie Fisher standing between Mr. Prentice and Sandra Rose. I loved my years there. Thank you for all of your efforts on our behalf.

Velma Loper Wheeler '52

Wow! You took a great news journal and made it even better!! Congrats to the staff. Enclosed is an old post card maybe the 1920's Canisteo Street to left Broadway, right is the subway. Building at bottom left was Art Witherow's Motorcycle Shop.

Dear HHS Alumni Assoc:

On behalf of the Senior Class of 2018 we would like to thank you for your generous donation to the HHS Class of 2018 Senior Auction and Post-Prom Lock-in Party. Our class was able to raise over \$4,000.00. Your contribution makes it possible for us to pay for food and entertainment and purchase gifts to be given out to our graduating seniors at the Post-Prom Party. We truly are fortunate to live in a community as generous as Hornell. As a result of this generosity, we are able to fund this wonderful drug and alcohol free party as a way of letting our students know that we are all so very proud of them!

Sincerely,

Braden Mauerman, Sr. Class Pres/Kerry Mauerman, Co-Advisor/Gary Kelleher, Co-Advisor

REMEMBER ME

To the living, I am gone.
To the sorrowful, I will never return.
To the angry, I was cheated.
But to the happy, I am at peace.
And to the faithful, I have never left.
I cannot speak, but I can listen.
I cannot be seen, but I can be heard.
So as you stand upon a shore,
Gazing at a beautiful sea, **Remember Me.**
As you look upon a flower and admire its
Simplicity, **Remember Me.**
Remember Me in your hearts,
Your thoughts, and your memories.
Of the times we loved,
The times we cried,
The times we fought,
The times we laughed.
For if you always think of me,
I will never have gone.
